RE: **Proof of nose surgery on October 7th per the Court's request**

Your Honor,

The Court has requested proof in the form of a letter by a physician before October 15th documenting the surgery which took place on October 7th. Attached are the signed notes of the doctor, as I have been unable to get the letter in-time and am in pain and unwell much of the day following surgery.

Thank you,

Ari Teman

The Court appreciates this notification, which is a satisfactory alternative to the letter that the Court directed be filed today. The Court wishes Mr. Teman a speedy and full recovery.

SO ORDERED.
